

Certificate of Compliance
Build America, Buy America

REV. Jan 12, 2023

Dear Valued Customer,

Trans Cable products manufactured in Bonham, Texas, USA meet the guidelines established under the Buy American Act (1933) and the USMCA. Buy American Act (originally 41 U.S.C 10, now 41 U.S.C. 8301-8305).

Products: CAT5e UTP CMP, CAT6 UTP CMP. CAT6a UTP CMP, CAT6a F/UTP CMP, Fire Alarm FPLP & FPLR, Audio & Security CMP and CMR products.

The following agencies have additional requirements that could be applied to the purchase of our products:

Federal Transit Administration (FTA)/Federal Aviation Administration (FAA)

This letter also certifies that all manufactured products have their final packaging and an aggregated total of more than 70% of their total assembly completed at a location within the United States. This meets the guidelines set forth by the Federal Transit Administration (FTA) for Fiscal Years 2016 – 2020+.

Department of Defense (DOD) and Defense Contract Management Agency (DCMA)

This letter certifies that all products listed above comply with the following two-part test issued by the DOD and can be considered a “domestic end product” under the Buy American Act:

- (1) The end-product must be manufactured in the United States, and
- (2) more than 50 percent of the cost of all the component parts must also be manufactured in the United States.

Small Business Requirements

This letter also certifies that Trans Cable qualifies as a Small Business using the guidelines set forth by the US Small Business Administration (SBA).

Furthermore, in compliance with the language in most trade agreements, the final and most significant “Substantial transformation” occurs in the United States and therefore the country of origin is listed as: United States of America.
